Q11 Which of the following do you think is the most convincing reason why inclusion of people with disabilities should be a more important priority for your faith community:

Answered: 138 Skipped: 4

- THE TORAH TEACHES US THAT ALL JEWS ARE EQUAL, INCLUDING THOSE WITH DISABILITIES.
- WE ARE A STRONGER COMMUNITY WHEN WE LIVE UP TO OUR VALUES—WHEN WE ARE WELCOMING, DIVERSE, MORAL, AND RESPECT ONE ANOTHER. WE WANT OUR CHILDREN, PARENTS, GRANDPARENTS, AND OTHER FAMILY AND FRIENDS WITH DISABILITIES TO BE ABLE TO HAVE AN EQUAL OPPORTUNITY TO FULLY PARTICIPATE IN OUR COMMUNITY.
- JEWISH PEOPLE WITH DISABILITIES AND THEIR FAMILIES HAVE THE SAME HOPES AND DREAMS AS EVERYONE ELSE, EVEN IF THEY FACE DIFFERENT CHALLENGES. WE SHOULD ENSURE THAT EVERYONE KNOWS THAT THEIR PRESENCE AND PARTICIPATION IS WELCOME AND MEANINGFUL TO US ALL.
- THE JEWISH COMMUNITY NEEDS CONTINUITY AND EVERY JEW COUNTS. JUST LIKE WE WANT TO KEEP INTERFAITH FAMILIES, AND FAMILIES INSIDE THE JEWISH COMMUNITY, SO TO DO WE WANT TO KEEP JEWS WITH DISABILITIES INVOLVED AND INCLUDED IN OUR COMMUNITY.

7	The ark with the Torahs in our sanctuary was accessible only by going up three steps (that stretched from wall to wall) to a higher platform. We have congregants in wheelchairs who could not reach it. The Board undertook or commissioned several studies for what to do. One solution was to bring the bimah down to the main floor where anyone could reach it. However, they could never reach any agreement on where or how to install a ramp up the steps. Ironically, we are solving the problem by building a new synagogue that should be completely accessible.	7/11/2018 4:08 PM

1	Ensure that physical mobility issues are addressed - no stairs, make sure there are ramps, make sure there are accessible restrooms. Ensure that invisible disabilities are respected - don't demand "normal" social behavior from people who are autistic, for example.	9/7/2018 12:00 PM

3	Individualize training. Understand your client's social/emotional challenges as well as business challenges. Practice new situations in a small safe supportive environment. Have a 'hot line' where PWD's can call in if there is an issue in their work to get immediate guidance and support.	9/4/2018 5:53 PM
4	Expand school and university publicity about activities available to persons with disabilities	9/3/2018 5:23 PM

5	It can be hard to work with synagogues because the clergy and staff are always so busy. Your best approach may be to approach a lay leader - someone who may or may not be on the board of directors - and get them to be an advocate for you to gain entry to the clergy and/or executive director of the synagogue. You want someone who will introduce you and then push for follow up with you from within the synagogue.	8/30/2018 4:46 PM
6	Make sure you make the opportunities equal, not the outcome, or you will be viewed as 'suffocating' and 'patronizing'.	8/30/2018 4:15 PM

1	Our synagogue is planning to replace our old building with a new one, and we have been having a lot of discussion about how to be inclusive. For instance, there has been a lot of effort spent on making sure those with and without disabilities can take the same path as much as possible despite a two story building and the site being on a hill (for instance, elevators not being hidden in the back somewhere). I also talked them into adding a gender neutral restroom.	8/30/2018 4:46 PM
